## Report of Students Satisfaction Survey (SSS) on **Overall Institutional Performance**

Student satisfaction survey is one of the most important instruments for the improvement of any educational institute. Due to its importance in the institutional development, National Assessment and Accreditation Council (NAAC) made it mandatory for the educational institutions.

We have adopted online feedback collection mechanism. Collected feedbacks are analyzed with software and the report is prepared. The feedback report is discussed in IQAC Committee meeting, approved and communicated to the authority for taking action. We have designed the various kinds of feedbacks viz. Students Satisfaction Survey on Overall Institutional Performance, Students Satisfaction Survey on teaching and curriculum, Students feedback on Teacher and Parents feedback on Institution.

In the academic year 2021-22, for Students Satisfaction Survey (SSS) on Overall Institutional Performance, 40 questions were asked to students to give their feedback on overall performance of the institute. The questions of the Questionnaire are as follows
