Date and Day	:	07/02/2017	Time:	10.00AM to 11.00AM
Objective/s	:	To make students of the college aware about how to overcome exam fear		
In charge/s	:	Mr. Mangesh S. Ghodke		
Brief Report on activity	:	Exams are often considered a 'fear' factor among children. Students of all age groups do undergo exam anxiety and have 'exam phobia' when it's around the corner. Some do take it easy while some cannot. The extent of exam stress is too much that drives them to take extreme measures. Because of this RCPIPER students delivered seminar and gave tips like which thing to do before the exam like, Stay positive, preparation is the pri. key that helps, never compare yourself with others, be physically fit, avoid last min preparation etc. From this activity about 80 students were benefited
